MM SCHOOL

Gold Medalist

We, at MM School Raipur provide ample opportunities to our learners to excel and hone their skills and talent. Participation in various Olympiads is one of the platforms provided to our students where they get an early exposure to learning & competitions. Regular participation in these competitive exams helps them in gaining additional knowledge. They derive the skills and master the technique to answer the wide varieties of questions hence gain confidence to write papers. participation in Olympiadstend to make them very sharp minded and clever problem solvers because the Olympiad exams do not just test the student's knowledge of concepts but the understanding and application of the concepts as well

Invitation card making

The honour of your presence is requested....my invitation card is here to invite you
Learners comprehended how to make invitation cards with politeness to invite your guests.

Exploring language Magic

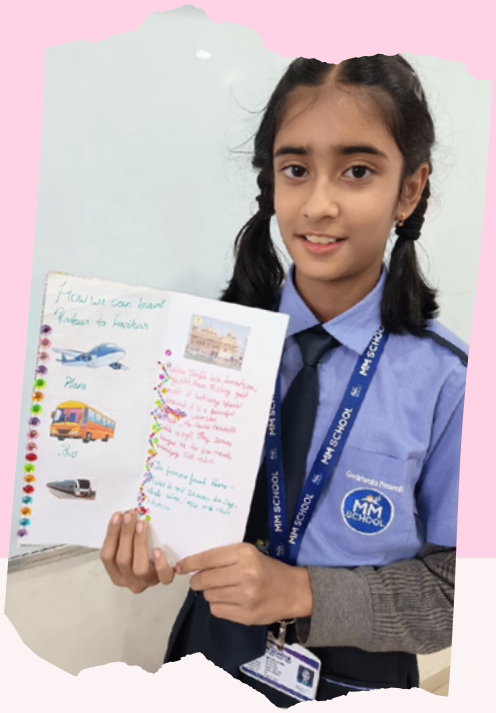

Today, our brilliant students showcased their grasp of adjectives by selecting objects in the classroom and describing them with the perfect adjectives. From colorful to shiny, their creativity knows no bounds!

Godriwala Presents

Travelogue making

One's destination is never a place but rather a new way of looking at things.""

An activity for grade 3 -5 was conducted on 9th of January 2024, where students enjoyed recalling and recollecting their traveling memories of the past year into the first activity of the new year. They exhibited all their collections in one frame in the form of making their own travelogue

Godriwala Presents

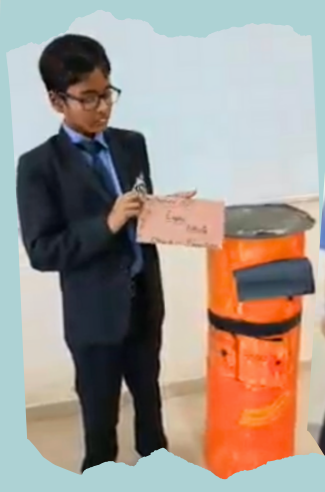

MM SCHOOL

Letter writing activity

Letter ✉️ writing is the only lost art that can be revived by anyone at any point of time.

All you need is pen 🖋️, paper 📜 and intent...*" Letter ✉️ writing activity in English, where the grade 5 students experienced the zest of writing letter and posting it along with post box, enhanced their enthusiasm for writing skills

MM SCHOOL

Celebration of Netaji Subhas Chandra Bose Jayanti

Subhas Chandra Bose Jayanti commemorates the birth anniversary of the national leader who fought against the British empire and led to the formation of INA. The day is celebrated every year by hoisting the Indian national flag, garlanding his statue, and organizing cultural programs in school.A special assembly was organised.

Godriwala Presents

MM SCHOOL

Experiential Activity (Measurement)

Experiential learning is a powerful way to engage students in authentic and meaningful learning experiences. Measurements were a real fun.

Republic Day Celebration

Republic Day Was celebrated by unfluring our national flag by the Principal of MM School Dr Sanjoy Bhattacharjee followed by the national anthem.

Godriwala Presents

MM SCHOOL

English Extempore

Greetings from MM School! We believe that speaking English is important for everyone, so it is for our children. Practicing new language skills provides them with a platform to understand the world with a whole new perspective. It encourages them to embrace new customs and imbibe new cultures. It helps them to become good professionals. To inculcate the habits of English communication in school, we organized English communication activities in class throughout the academic year and the result is really rewarding.

MM SCHOOL

Pariksha pe charcha

The examination was discussed by the Honorable Prime Minister today on 29th January 2024 the main points of which are as follows*

1. Develop a habit of tolerating any kind of pressure.
2. If there is no competition in life, life will become unmotivated.
3. The feeling of distorted competition is sown in the family, this gives rise to hatred, this seed later becomes a poisonous tree.
4. A friend who scored more marks can become an inspiration.
5. Jealousy should not come to mind.
6. Parents curse their children for comparison, this should be avoided.
7. Parents use their children's report card as a visiting card for their failure.
8. Friends should be brighter than us and we should try to learn from them.
9. Music can relieve the stress of the entire school.
10. Teacher And if the student's relationship continues to grow till the exam, then there will be no stress in the exam.
