Events & Celebrations

01 JUL **Guardians of Health / Guardians of Wealth**

On July 1, 2025, a special assembly celebrated National Doctors' Day and National CA Day, honoring Dr. Bidhan Chandra Roy and the ICAI's founding. The event opened with a prayer song, followed by an introduction. Tanushka Malani gave a thoughtful speech, and Grade 4 students performed a lively dance. Guests shared inspiring words and were felicitated. The Principal's speech emphasized the importance of both professions. Our alumni Bhumika Kukreja was felicitated for earning the FAA commercial pilot certification.

05 JUL **Student Council Election**

The Student Council Election at MM School succeeded. Students campaigned, raising awareness before voting. The team managed polling coordination, digital voting via Google Forms, and vibrant decorations effectively. Creative posters and smooth voter verification enhanced the experience. Role holders ensured seamless operations enthusiastically, fostering student leadership and responsibility. The collaborative effort created an engaging, impactful election, leaving a lasting impression on the school community.

12 JUL **Investiture Ceremony**

The Investiture Ceremony at MM School was a success, showcasing meticulous planning and teamwork. The vibrant unveiling of house logos elevated the event's dignity. Seamless logistics and rehearsals ensured flawless musical and dance performances. The democratic election empowered the school council, reflecting leadership and responsibility. Parental appreciation highlighted the event's impact, reinforcing the school community's strength and commitment to excellence, making it a memorable celebration of student leadership.

15 JUL **Vidhan Sabha Excursion**

The educational visit to the Vidhan Sabha for Grades 8, 9, and 10 proved highly enriching, promoting civic awareness and critical thinking. Supported by the school's commitment to holistic education, this initiative offered students practical learning beyond textbooks. The experience deepened their understanding of governance, leaving a lasting impact. Faculty coordination ensured seamless execution, reflecting the school's dedication to fostering informed, responsible students through such impactful programmes.

26 JUL **Kargil Vijay Diwas**

On July 26, 2025, our school's Social Science department for grades 6-8 proudly observed Kargil Vijay Divas. The event honored the courage and sacrifice of the Indian armed forces in the Kargil War of 1999. Students participated enthusiastically, fostering patriotism and developing a deep appreciation for the soldiers' unwavering determination and discipline. This activity aimed to instill values of resilience and teamwork while highlighting the importance of a strong military in safeguarding national sovereignty.

Achievements

International Maths Olympiad Accolades

Students of MM School secured medals and certificates in the first level of IMO. The recipients are:

1. SOUMIL NAVLANI (Grade 4) : GOLD
2. KASHISH TALREJA (Grade 4) : SILVER
3. VIVAAN CHIMNANI (Grade 4) : BRONZE
4. ATHARVAVEDA SINGH BHADORIA (Grade 5) : GOLD
5. VIVAN NAGDEV (Grade 5) : BRONZE
6. MEHAR ARORA (Grade 6) : GOLD
7. ABHIRAAM SHARMA (Grade 7) : BRONZE
8. BHAVESH KHATRI (Grade 8) : SILVER
9. RIDDHI AGRAWAL (Grade 8) : BRONZE
10. SWASTIK SAIN (Grade 9) : BRONZE

Abacus Wonders - Ayesha & Myra Nizami

Ayesha (Grade 5) and Myra Nizami (Grade 4) received Participation Certificates in Categories B2 and B3 abacus at the UCMAS National Competition. Congratulations to both for their dedication!

Drawing Masters - Paridhi & Yashi

Paridhi Agrawal (Grade 6) and Yashi Madeka (Grade 7) received certificates and appreciation trophies at the My FM ke Rangrezz Season 11 Drawing Competition. Congratulations to both!

Math Champ - Vivaan Chimnani

Vivaan Chimnani (Grade 4) earned a certificate from the India Book of Records for solving 100 addition and subtraction problems in 4 minutes, 33 seconds. Congratulations, Vivaan, for your outstanding mental arithmetic skills!

Star Swimmer - Priya Soni

Priya (Under 17) won 2 gold, 5 silver, and 1 bronze medals at the 15th Sub Junior & Junior Chhattisgarh State Swimming Championship (26th-27th July 2025, Delhi Public School Bhilai). She has been selected for the National event. Congratulations, Priya!

Proud Achiever - Yogesh Godhwani

Yogesh Godhwani, our Math faculty, earned a Vedic Maths Certified Professional Certificate from NLA Academy on 25th June 2025, and an Abacus Certified Professional Certificate on 5th July 2025, both with an A+ grade. Congratulations!

Seminar & Assemblies

Plastic Bag Free Day (July 3)

On July 3, 2025, MM School's assembly celebrated International Plastic Bag Free Day, raising awareness about the harmful effects of single-use plastic bags and promoting eco-friendly alternatives. Students of Grade 5 delivered speeches, recited poems, and conducted a quiz, emphasizing sustainable practices. The event encouraged individuals, businesses, and governments to reduce plastic bag consumption for a greener future.

Global Forgiveness Day (July 7)

On July 7, 2025, MM School's assembly celebrated Global Forgiveness Day, promoting personal and communal harmony. The "Thought of the Day" and "Word of the Day," Forgiveness, set the tone. Students of Grade 7 delivered short speeches on the importance of letting go of grudges and embracing forgiveness to reinforce these values. The event fostered empathy for a compassionate world.

World Population Day (July 11)

On July 11, 2025, the Social Science Department at MM School organized a World Population Day event for Grades 6 and 7 to raise awareness about global population challenges. Students explored critical issues like population growth, reproductive health, and sustainable development, understanding their impacts on healthcare systems, natural resources, environmental pollution, and biodiversity loss. The activity highlighted connections between overpopulation, climate change, and social challenges. Through engaging discussions, students gained confidence and a deeper understanding of environmental protection. This initiative underscored the school's commitment to holistic education, encouraging young minds to think critically about global issues and their role in fostering a sustainable future.

World Youth Skills Day (July 14)

On July 14, 2025, MM School celebrated World Youth Skills Day, where students delivered short speeches emphasizing the importance of skills in navigating life and thriving in a rapidly evolving world. The event highlighted skill development for personal and professional success, with interactive seminar showcasing practical applications of these skills.

Seminar & Assemblies

World Emoji Day & Criminal Justice Day (July 17)

On July 17, 2025, MM School hosted a lively assembly celebrating World Emoji Day and Criminal Justice Day. Students of Grade 5 showcased engaging performances, emphasizing the power of emojis in conveying emotions without words. They also highlighted the values of honesty, fairness, and kindness essential for a just society. The event reflected the students' enthusiasm and commitment to these themes, fostering a meaningful dialogue about communication and justice.

National Flag Adoption Day (July 21)

On July 22, 2025, MM School celebrated National Flag Adoption Day, educating students on the evolution of India's flag through six iconic designs. The 1906 Calcutta Flag symbolized unity, the 1907 Madame Cama Flag embodied revolutionary zeal, and the 1917 Home Rule Flag reflected self-governance aspirations. Pingali Venkayya's 1921 flag signified self-reliance, while the 1931 Congress Tricolour represented courage, peace, and prosperity. The 1947 Tricolour, with the Ashoka Chakra, symbolizes dharma and progress. Students explored the flag's emotional significance and the Flag Code of 2002, ensuring respectful usage. Engaging speeches, a quiz, and an oath to uphold the flag's sanctity reinforced patriotic pride. The event highlighted the flag's role in uniting India's diverse communities. Photos are available on the school's Google Drive. Parents are encouraged to discuss these insights with their children to foster national pride.

Goswami Tulsidas 528th Jayanti (July 31)

On 31st July 2025, MM School celebrated the 528th birth anniversary of Goswami Tulsidas with a vibrant assembly led by Grade 9 students under Ms. Sulbha's guidance. The event honored Tulsidas's legacy, focusing on his epic Ramcharitmanas and Hanuman Chalisa, highlighting their spiritual and scientific insights. The assembly featured a soulful Saraswati Vandana, lamp lighting, and a captivating Hanuman Chalisa recitation led by Mr. Atul. Samarth Saini of Grade 11 portrayed Tulsidas with grace. Students' speeches and performances reflected devotion and cultural pride.

Class Activities

Grade 1

Circle Time

Our Grade 1 students are getting to know each other and their new school, one circle at a time! Making new friends and a strong classroom community with circle time. Happy bonding!

Grade 2

Food Fun

Grade 2 explorers sorting yummy foods! Learning about healthy choices and different food groups makes us super smart eaters. Learning to eat smart, from the very start!

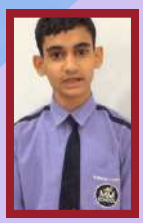

Grade 11 Commerce

Business Headlines

Our Grade 11 Commerce students are actively engaged in reading and analyzing business news, connecting classroom theory to real-world market dynamics, helping them sharpen their analytical skills and stay informed.

Grades 4 to 9

English Unplugged: Communication Skills through EC Classes

Our English Communication classes are designed to build confident speakers. Through exciting topics and special day observations, students enhance their LSRW skills, overcome stage fear, and improve fluency. Junior grades engage in fun vocabulary activities and fables, making learning enjoyable.

This foundation is crucial for academic success and opens doors to a world of global opportunities and professional growth. In a globalized world where effective communication is key, these classes provide our students with the skills and confidence to thrive in any environment.

Grade 9 / Grade 7 & 10

Tyndall Effect Demo / Indicator Test

Grade 9 students explored solutions, suspensions, and colloids, using the Tyndall effect to distinguish them. They successfully observed how light scatters only in colloids, proving their unique properties. Grade 7 and 10 students used indicator tests to identify acids, bases, and determine pH levels through color changes.

Grades 1 to 8 -

Swimming Classes

We offer swimming classes for students in grades 1-8. These classes are designed to refresh the mind and improve overall fitness in a fun and engaging way. Dive with us!

Every Saturday on the final session

Club Activities

Literary Club

The Literary Club fosters a love for literature across all grades. For grades 1 and 2, activities focus on recitation, storytelling, and moral lessons from fables. Grades 3 to 5 enhance their creative skills through picture composition and exploring children's stories and poems.

Older students in grades 6 through 9 and grade 11 delve deeper into literary analysis. They study poetic devices, novels, epics, and focus on characterization, themes, and plot. The club also encourages creative expression through writing stories covering both English and Hindi.

Science Club

The Science Club provides hands-on learning for all students. Activities include creating science models, understanding shapes and sizes, and practical application of scientific formulas. Students explore various science topics, anatomy, and engage in mental math and abacus training to sharpen their cognitive skills. The club's focus is on experiential learning, with students participating in hands-on science projects and engaging lab activities to deepen their understanding of scientific principles.

Art Club

The Art Club nurtures creativity and imagination in every student. We begin with the fundamentals, teaching members to understand colors, complimentary palettes, and the color wheel. Students explore various mediums, from craft making and intricate origami to creating detailed paper and clay models. The club encourages artistic inspiration, prompting students to express their unique ideas and perspectives. Through these hands-on activities, we aim to enhance each student's imaginative power and make them more creative.

Kinesthetic Club

The Kinesthetic Club promotes physical fitness and strategic thinking through a wide range of sports. Our outdoor activities build teamwork and athletic skills with popular sports like basketball, football, cricket, lawn tennis, and skating. Students can also dive into our swimming programme for a great full-body workout. For indoor enthusiasts, we offer chess, carrom, and table tennis, which sharpen focus and hand-eye coordination. This club provides a balanced approach to physical and mental well-being for an active lifestyle.

Book Free Saturday

At MM School, we believe that true education goes beyond the confines of textbooks and examinations. To nurture curiosity, creativity, and real-world understanding, we are excited to introduce 'Book-Free Saturday – Learning Beyond the Textbook' – a unique and engaging initiative that transforms traditional learning into an exploration of the world around us.

Every last Saturday of the month, students will step out of their regular academic schedule and dive into thoughtfully curated sessions that focus on holistic learning and life skills. Through interactive activities, discussions, and hands-on experiences, children will be introduced to a wide spectrum of knowledge including:

World Cultures & Habitats

Discovering various nations, their communities, customs, ways of life, and ecosystems promotes global understanding and compassion, inspiring students to value cultural diversity and interconnectedness while fostering respect for the environment.

Financial Literacy

Studying banking, budgeting, saving, and money management builds essential skills, promoting financial literacy. This empowers students to make informed choices, confidently tackle economic challenges, and secure a stable financial future.

Book / Movie Review

Exploring books or movies that ignite imagination, foster character growth, employ rich literary devices, and impart moral life lessons encourages critical thinking, empathy, and personal development in an engaging way.

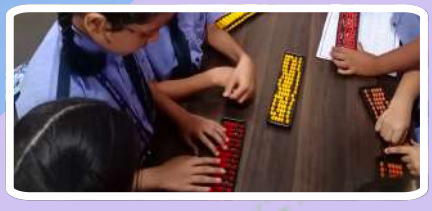

Favourite Philosopher

Exploring the lives and ideas of global philosophers and thinkers fosters critical thinking and ethical awareness, cultivating analytical skills and global citizenship, empowering students to navigate challenges and contribute meaningfully to a dynamic world.

Safety of Girls

Addressing girls' safety, their unique challenges, and fostering consent and self-respect empowers them with confidence. Teaching practical self-protection tips equips them to navigate risks, promoting resilience and personal strength in diverse situations.

Abacus

Learning the abacus enhances mental arithmetic skills, boosts concentration, and fosters problem-solving abilities. This ancient tool promotes mathematical confidence, sharpens cognitive development, and encourages precision and speed in calculations for all students.

Director's Message

Dear Parents, Students, and MM Family,

It gives me immense joy to pen down a few thoughts for the July edition of our MM Chronicles, lovingly titled the "Coral" edition. Like the calming yet resilient nature of coral, this month has been a beautiful blend of vibrant growth and inner strength across our school community.

As we cross the halfway mark of the academic year, I feel proud of the steady momentum we've built—be it in academics, co-curriculars, or the values we're nurturing in our children. July was a month of meaningful celebrations, enriching seminars, and delightful classroom moments. I was particularly inspired by the spirit of participation and enthusiasm shown by our students and teachers alike. Each achievement and every activity reflects our shared commitment to holistic learning.

The launch of the Golden Students of the Month segment has been a heartwarming way to recognize not just academic brilliance, but also kindness, effort, and positive attitude—qualities that matter just as much in shaping our future leaders.

Our Book-Free Saturday initiative has also begun to create ripples of joy and curiosity. Watching students engage, explore, and express themselves freely is a reminder of how important it is to create space for wonder in education.

To all the parents who continue to partner with us so closely—thank you for your unwavering trust and involvement. Your support makes all the difference.

Let us move ahead with the same passion, purpose, and pride. The journey is long, but together, we're building something truly beautiful.

Warm regards,
Mayur Thourani
Director

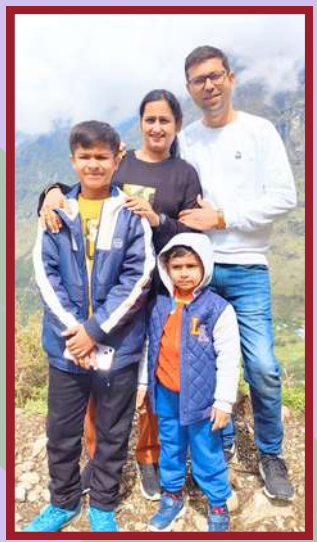

Parents' Corner

"I'm truly impressed by the school's commitment to academic excellence and holistic development. The teachers are dedicated, approachable, and genuinely care about the students' growth. The campus is clean, safe, and well-maintained, and the environment feels warm and welcoming. The balance between academics, extra-curricular activities, and values-based learning is commendable. Keep up the great work!"

- CA Sheetal Pincha, proud parent of Anvi Pincha (Gr 3)

"I just wanted to take a moment to express my heartfelt gratitude for all the hard work and dedication that you and your team put into providing an exceptional learning environment for students. Your commitment to academic excellence, combined with your care and support for each student's well-being, is truly remarkable. Thank you for creating a nurturing and stimulating community for our kids.I'm so grateful to be a part of this school community!"

- Dr. Geet Talreja, proud parent of Satvik Talreja (Gr 1)
