Events & Celebrations

International Yoga Day

MM School celebrated International Yoga Day with teachers performing yoga asanas and Surya Namaskar in-school. Students actively participated through online videos, engaging in the same practices. The initiative promoted physical and mental well-being, aligning with the global theme of yoga for harmony. This event, underscored the our commitment to holistic education, fostering health, mindfulness, and unity among students and staff in a vibrant, meaningful celebration.

Bienvenida - Reopening Day

On June 23, MM School joyfully reopened, warmly welcoming students after the summer break. Teachers greeted children, who reunited with friends. The day featured engaging classroom activities, ice-breaking sessions, a school tour for new students, art, music, dance, sports, and a fun selfie time. These activities energized students, fostering enthusiasm and mindfulness for the academic year ahead.

Awareness Campaign against Addiction

On International Day Against Drug Abuse and Illicit Trafficking, MM School students organized an impactful awareness campaign near Ram Temple and Currency Tower. They distributed pamphlets, engaged passersby in discussions on drug abuse dangers, and performed a captivating flash mob. Students conducted on-the-spot interviews to foster community dialogue. At Mana Camp Police Station, they submitted a memorandum urging action against drug circulation.

Rath Yatra Celebration

MM School celebrated Rath Yatra, integrating cultural learning with academics. Junior students explored the festival's history via videos, while seniors studied its economic and geographic impact on Odisha. The chariot's design taught shapes and colors, sparking creativity. Students united to pull the chariot, fostering teamwork. MM School's Rath Yatra celebration merged cultural joy with academic learning, promoting unity and creativity.

Leadership & Community

From the Principal's Desk

Empowering Minds and Nurturing Values

Happy Learning at MM School! Beyond textbooks and exams, our school is a sanctuary where values are nurtured, creativity is encouraged, and each child finds their voice. The last month exemplified holistic education, blending academic excellence with character building, cultural celebration, and wellness through strategic planning. To end summer break positively, faculty underwent 26 hours of Continuous Professional Development (CPD) under my guidance, focusing on NEP 2020's collaborative learning, reflective teaching, and dynamic classroom practices, strengthening our professional ecosystem.

June 21: International Yoga Day - Celebrated with enthusiasm, students, parents, and staff embraced mindfulness and balance through yoga, promoting health, self-discipline, and India's cultural heritage.

June 23: Reopening Day - After a refreshing break, students returned to a warm welcome from the MM family, reigniting the spark of learning with laughter and curiosity.

June 26: Anti-Drug Day - A community outreach campaign, including roadside awareness, poster-making, and street plays, educated students on substance abuse, empowering them as ambassadors of a drug-free society.

June 27: Rath Yatra Celebration - This vibrant celebration integrated learning, connecting cultural significance with storytelling, Odisha's history, geography, and mathematical shapes through chariot-making, fostering respect for traditions.

June 28: Book-Free Saturday & Chess Tournament - Book-Free Saturday promoted experiential learning through art, storytelling, and games, while a Chess Tournament enhanced strategic thinking, balancing academic rigor with 21st-century skills.

Special assemblies on World Asteroid Day emphasized awareness. This month was a journey of learning, leading, and living values, reinforcing MM School's commitment to holistic education and inspiring every child to be their best self.

- Dr. Sanjoy Bhattacharjee

From the Proud Parent of MM School

We would like to express our deepest gratitude to the entire school faculty and staff of MM School for the exceptional care, support, and guidance extended to my sons, Devansh and Navansh, over the past two academic years. It has been truly reassuring to witness the nurturing environment in which they have grown—not just academically, but emotionally and socially as well. The dedication of the teachers, the attentiveness of the staff, and the overall atmosphere of encouragement have made a significant positive impact on both of them. As a parent, knowing that my children are valued, supported, and understood means everything to me. We were overwhelmed by the gesture of Principal Sir, the class teacher of Grade-1, coordinator madam, the HR madam, Jasleen madam, Ankita Madam, Jay Sir and all the staff members for their help and support to Navansh during the he met with an accident in school. Thank you for being such a strong and positive influence in my children's lives. Your efforts have not gone unnoticed, and we are sincerely thankful.

- Mr. Hosang Motwani & Mrs. Navya Motwani (Parents of Devansh Motwani (Gr 6) and Navansh Motwani (Gr 1)
