Events & Celebrations

06 DEC **MM Junior School Annual Day**

MM Junior School recently celebrated its spectacular Annual Day, "Emotica," held within the grand MM School premises. The event was a magnificent showcase of talent, where kindergarten students took center stage with immense poise. Dressed in vibrant costumes, the little ones enthralled the audience through expressive dances and musical acts, reflecting the theme of emotional intelligence. The atmosphere was filled with pride and cheers making the celebration a resounding success for the entire school community.

13 DEC **LogIQids Examination (Stage 1)**

The school recently hosted the LogIQids Stage 1 exam for students from Grade 1 to 8. This prestigious competitive assessment focused on enhancing logical reasoning and critical thinking skills among learners. Students across all grade levels participated with great focus, tackling diverse brain-teasers and analytical problems designed to challenge their mental agility. The event provided an excellent platform for students to test their aptitude and develop a structured approach to problem-solving in a formal exam environment.

14 DEC **Residential Outing/Picnic**

Residential students recently enjoyed an unforgettable outing to MM Fun City, accompanied by the Principal and residential teachers. The trip was a perfect blend of adventure and relaxation, featuring thrilling water sports and various outdoor games. As evening fell, everyone gathered for a cozy bonfire and delicious meals, fostering a sense of community. This overnight staycation provided a wonderful opportunity for students to bond, recharge, and create lasting memories outside the classroom.

19 DEC **Secret Santa**

The school organized a heartwarming Secret Santa event for the faculty, spreading holiday cheer across the staff room. Teachers exchanged thoughtfully wrapped gifts and handwritten notes, maintaining the spirit of mystery and surprise. The activity served as a wonderful team-building exercise, fostering camaraderie and laughter among colleagues. The celebration concluded with the big "reveal," leaving everyone with bright smiles and a renewed sense of connection as they celebrated the joy of giving together.

23 DEC **Christmas Special Assembly**

The school spirit soared during the Christmas Special Assembly, where students celebrated the season of joy through music and art. The stage came alive with soulful carol singing and energetic dance performances that captured the holiday magic. Dressed in festive attire, children shared messages of peace and kindness, spreading warmth throughout the campus. This joyful gathering not only showcased the students' artistic talents but also strengthened the school community through shared celebration and festive harmony.

Class Activities

Grade 1A

Octopus Making

The creative students of Grade 1A recently participated in a hands-on art activity, transforming simple craft paper into vibrant octopuses. This project helped develop their fine motor skills through cutting and curling paper "tentacles." The classroom was filled with excitement as each student showcased their unique, multi-colored sea creature.

Grade 1 & 2

Peer Teaching

To celebrate Children's Day, senior students stepped into the role of teachers, conducting engaging lessons for the junior grades. This mentorship initiative fostered a joyful atmosphere of learning and connection. Both age groups thoroughly enjoyed the experience, making the day a memorable celebration of leadership, creativity, and school spirit.

Grade 9

Garden Lab Report

Grade 9 students transformed the school garden into a living classroom, identifying plant tissues through hands-on observation. By touching and analyzing real specimens, they bridged the gap between textbook theory and nature. This experiential activity fostered deep engagement, making complex biological structures tangible and memorable.

Grade 7

Eco-Warrior

Under the guidance of Ms. Sulbha, students traded desks for the school garden to embrace nature-based learning. Bathed in the soft light of a winter morning, the class explored plant biology amidst the trees and grass. This outdoor session allowed students to connect deeply with their environment, making the curriculum come alive. The fresh air and tranquil setting turned a standard lesson into an engaging, multisensory experience that they truly enjoyed.

Grade 1

Market Math

Students engaged in a practical Money Activity, acting as shopkeepers and customers in a classroom shop. Using play money, they identified currency, calculated totals, and managed change. This hands-on role-play successfully reinforced addition skills and real-world financial literacy, making mathematical concepts both fun and memorable.

PRERNA

Inspiration from the Ladies of India

Our Annual Function, ***Prerna***, a luminous tribute to Women Empowerment inspired by the success and contribution of the Ladies of India, was held on 5th December, 2025. Throughout the year, from the delicate artistry of our Rakhi Thali to the vibrant hues of our Diwali Rangoli, we have celebrated the pioneering spirit of women's education, inspired by the ethos of Operation Sindoor.

This evening is a dedicated salute to the brave hearts and resilient souls who stand as the pillars of our nation. We honor the courage, profound contributions to the economy, global acclaim, and historical prowess of Indian women. This was more than just a celebration; it was a movement captured in motion. From the fierce echoes of historical prowess to the sophisticated strides of modern innovation, the evening mirrored the multifaceted strength of the Indian woman. These glimpses capture the essence of 'Prerna'—a night where we didn't just tell stories of empowerment, we lived them.

Inspiration from the Ladies of India

Agniveer (Dance-Drama)

Agniveer is a powerful theatrical dance drama tracing the lineage of India's female warriors. From epic legends like Ulupi and Chitrangada to historical icons like Rani Laxmi Bai and modern military officers, this performance honors their bravery. It seamlessly blends tradition and modernity, celebrating the indomitable spirit of India's daughters.

Nari Stuti (Classical Dance)

Nari Stuti is a breathtaking classical dance performance celebrating divine feminine power. It captures the fierce triumphs of Devi Durga over Mahishasur and Kali Mata over Raktabeej. It further honors Sita's resilience and the pivotal Cheerharan of Draupadi, where Lord Krishna's divine intervention protects her dignity, embodying eternal strength and devotion.

Rangilo Bharat (Folk Dances)

Rangilo Bharat is a vibrant folk dance compilation performed by junior students, showcasing India's rich cultural tapestry. Featuring the rhythmic energy of Bihu, Satnami, Telugu freestyle, and Bhangra, it highlights regional diversity united by a singular theme: the universal celebration of life, community spirit, and pure happiness.

Happy Hours

At MM School, we believe in nurturing well-rounded individuals. This philosophy led to the introduction of our unique 'Happy Hours' programme, an exclusive initiative that reserves the last session of every school day for outdoor sports and activities.

Under the expert guidance of renowned coaches, students enthusiastically engage in games like basketball, cricket, football, skating, and tennis. This programme not only promotes physical fitness but also instills discipline, teamwork, and a healthy competitive spirit. By balancing rigorous academics with dynamic physical activity, we ensure that our students leave school each day with a sense of accomplishment and holistic growth.

Eco Club Induction Programme:

Empowering Change-Makers for Mission LiFE

An insightful Eco Club Induction Program under the “Eco Club for Mission LiFE” initiative of the Government of India was conducted today, November 12, 2025, at MM School. The event served as a formal welcome and orientation for the newly appointed members, providing them with a comprehensive briefing on their roles, responsibilities, and the overarching functioning of the club. The session was centered on the national vision of Mission LiFE (Lifestyle for Environment), a movement aimed at replacing the "use and dispose" economy with a circular economy defined by mindful and deliberate utilization. Students were oriented toward the club’s primary mission: to foster environment-friendly habits and promote sustainable living practices within the campus and the local community.

Through engaging presentations, the faculty coordinators motivated students to transition from being passive observers to active environmental stewards. The program highlighted several key green initiatives, including:

- Plantation Drives: Enhancing local biodiversity and carbon sequestration.
- Waste Management: Implementing rigorous "Reduce, Reuse, Recycle" protocols.
- Energy Conservation: Monitoring and reducing the school's carbon footprint.

By the end of the induction, the student body felt empowered to transform MM School into a model of environmental responsibility, proving that small, grassroots changes can lead to a global impact.

From the Academic Coordinator

Dear MM Family,

The month of December will remain etched in our memories at MM School for the sheer brilliance of our children. Their talent and charisma were on full display during our Annual Day programme, "Prerna." As the theme—"Inspiration from the Women of India"—suggests, the event was dedicated to the women who have fueled the progress, growth, and development of our country, our society, and our families. Women have always been central to the world's greatest inventions, creations, and discoveries. While it is a somber truth that they faced generations of repression within patriarchal systems, we are finally entering an era where holistic change is taking shape. Our students brought this journey to life, beginning with the mythological strength of figures like Sita, Draupadi, and Ulupi, and moving through the historical bravery of Rani Laxmi Bai, Laxmi Sehgal, and Matangini Hajra. The showcase also highlighted modern pioneers like IPS officer Ankita Sharma, explorer Sudipta Sengupta, and Dr. Anandi Bai Joshi—trailblazers who have often remained unsung in public memory, but whose stories deserve our celebration. A woman's life is far more than a passing sequence of events; it is a narrative of internal and external struggles that are worthy of a thousand retellings. That is our inspiration, and it is our duty as a nation to remember and reiterate their legacy.

At MM School, we believe education transcends the information found in textbooks. We strive to provide our students with the wisdom to navigate the world in an unbiased, empathetic, and pragmatic way. Today's students are more opinionated and liberal than ever before. As facilitators, we don't just acknowledge this—we embrace their freedom of speech and action. Our primary role is to help them understand that liberty is not a privilege, but a responsibility. Choosing love over hate, growth over orthodoxy, and skill over rote memorization are not just the needs of the hour; they are the requirements of a life well-lived. Together, we are nurturing a generation that values the human spirit as much as academic excellence.

Warm regards,

Arijit Bhattacharjee

Academic Coordinator, MM School

Parents' Corner

We are very satisfied with our child's development and growth we have seen since we have admitted our child to your school .

The teachers are so supportive and provide individual attention which have boosted my child confidence and the extra curricular activities you have been provided like we are so happy to see our child or every child performing their role with more confidence, with more grace. And one more thing I love to mention about your school is that every teacher gives respect to every parent as well as every student and provides honest reviews to parents about their child.

Your annual function is star up to remark and I love your maths English or EVS fest in which every children gets motivated and a confidence to make a game by their own and make parents play and understand.

And we are so thankful that you gave us a memento of SUPPORTIVE PARENT in annual function 2025-2026. We are so proud for our child's growth and happy to share such honest review about MM SCHOOL with everyone.

-Mr. Pawan Kr. Tarwani & Ms. Jaya Tarwani

Proud parents of Keya Tarwani (Grade 5)

We the parents of master Ishaan Sinha feel proud to be associated with MM school, a center of education and learning with a modern mindset and mighty minds. minds. The motivated mindset of teachers has always been a marvel to us. The mission makers have developed a sense of doing/discharging work in mission mode we cherished the day we moved into the premises some where in 2015 with 3-4 yrs old Ishaan at pre school located at Rajendra Nagar. Trust us, the school has not only imparted knowledge and skill to my son, but also helped him to transform into a good human being.

Thank you MM momentum makers.

- Mr. Amar Kishore Pankaj & Ms. Sapna G.C.

Proud parents of Ishaan Sinha (Grade 8)
