Events & Celebrations

13 Oct **Diwali Special Assembly**

The Student Council organized a vibrant special assembly to celebrate Diwali, the festival of lights. The event commenced with insightful speeches highlighting the message of hope and victory. Students captivated the audience with melodious traditional songs and energetic dance performances that showcased India's rich cultural heritage. The celebration successfully fostered a spirit of unity and joy, reminding everyone of the importance of spreading light and kindness.

13-16 Oct **Inter House Football Tournament**

The campus buzzed with excitement as the Inter-House Football Competition concluded with a thrilling finale. Samagra (Blue House) emerged as the undisputed champions after a dominant victory over Shakti (Red House) in the final match. Meanwhile, Shourya (Orange House) secured a proud third-place finish by defeating Sahas (Green House). The tournament showcased exceptional sportsmanship, teamwork, and athletic talent, making it a memorable event for all houses.

16 Oct **World Food Day Assembly**

Grade 3 students hosted an enlightening assembly to mark World Food Day, focusing on global food security. Through an informative speech, students highlighted the vital importance of nutritional value and healthy eating habits. The program was further enriched by a soulful song and vibrant dance performances. The event successfully raised awareness about food conservation and inspired everyone to make mindful, healthy choices for a better future.

17 Oct **Gratitude Tree of Endless Thankfulness**

In a heartfelt gesture of goodwill, students and teachers visited Bal Ashram on Jail Road to support the local community. The school collective donated essential food items, including rice, daal, and cooking oil, alongside snacks and educational stationery. This welfare initiative aimed to provide both nourishment and learning resources to the children. The visit fostered empathy and reinforced the school's commitment to social responsibility and kindness.

17 Oct **Diya Decoration Activity & Rangoli Making Competition**

The school campus transformed into a canvas of colors during the Inter-House Diya Decoration and Rangoli Competition. Students showcased immense creativity, using vibrant hues and intricate patterns to craft stunning Rangolis, while the Diyas were beautifully adorned with glitter and paint. This artistic face-off fostered teamwork and celebrated traditional craftsmanship. The event was a spectacular success, highlighting the incredible talent and Diwali festive spirit of students across all houses.

Events & Celebrations

04 Nov **Guru Nanak Jayanti Special Assembly**

Students observed Guru Nanak Jayanti with deep reverence and spiritual fervour. The celebration commenced with the powerful "Ek Onkaar" prayer, setting a peaceful tone for the morning. Inspiring speeches highlighted Guru Nanak Dev Ji's timeless teachings of equality, selfless service, and honesty, followed by a moving song performance. This meaningful event encouraged students to embrace values of kindness and universal brotherhood, honoring the legacy of the great saint.

04-07 Nov **Inter House Cricket Tournament**

The Inter-House Cricket Tournament was a spectacular display of teamwork, featuring mixed teams of boys and girls. Sahas House (Green) clinched the championship by defeating Shakti House (Red) in an intense final. The excitement peaked during the third-place match, which ended in a tie; Samagra House (Blue) eventually triumphed over Shourya (Orange). Congratulations to all players for their incredible sportsmanship and energy!

11 Nov **World Kindness Day**

Grade 1 students celebrated World Kindness Day with heartfelt enthusiasm. Through touching speeches, they explored themes of kindness, sympathy, respect, and the importance of nurturing good relationships. The atmosphere was filled with joy as students recited soulful poems and performed uplifting songs. This meaningful celebration reminded everyone that small acts of kindness foster a culture of compassion and honor within our school.

14 Nov **Children's Day Special Assembly**

MM School hostel students and residential teachers enjoyed a rejuvenating Ganesh Puja pandal visit in Raipur. The group admired the mesmerizing idols and participated in the puja ceremony. The special outing provided a great opportunity for students to bond with their fellow mates and teachers, sharing a cheerful evening that has prepared them for the year ahead. The experience was a delightful blend of cultural immersion and social connection.

16 Nov **Residential Outing: Jungle Safari**

Residential students embarked on a thrilling jungle safari at Nandanvan, Naya Raipur. The expedition offered close encounters with majestic tigers, lions, bears, deer, and antelopes. . This immersive experience allowed students to observe wildlife behavior in their natural habitats, fostering deep environmental awareness. The day concluded with a refreshing boating session, providing a perfect blend of adventure, education, and relaxation in nature's lap.

Achievements

Poets and Prodigies

All India Poetry Competition: Glory to MM School with 13 Gold Medals; 30 Medals Overall

We are delighted to celebrate the remarkable talent and dedication of our students as they shine on the national stage. A standout highlight of this achievement was the incredible literary contribution from our students. They showcased their creativity and environmental consciousness by submitting original poems in both English and Hindi.

Abacus Prodigy
Niti Sachdev (G4)

Huge congratulations to Niti Sachdev for securing second place at the Abacus competition in Durg! It is a testament to her incredible mental agility and hard work. Truly a proud moment for her family and the community.

Best Behind the Camera
Sonakshi Nankani (G10)

Grade 10 student Sonakshi Nankani clinched the "Best Videographer" award at the Kaanger Valley Diplomacy Summit. Her exceptional visual storytelling and technical expertise earned her top honors at the prestigious event.

Class Activities

Grade 1

Maths Corner: Tens and Ones

Our Grade 1 students (A and B) have mastered the crucial concepts of tens and ones this week! Using hands-on blocks, they practiced building and reading two-digit numbers. They successfully learned that ten is a group of ten ones. Students can now demonstrate that combining tens and ones makes a number; This foundational skill sets them up for success in addition and place value!

Grade 7

Chemistry Time: Burning Magnesium

On 09-10-2025, Grade 7 students observed the dramatic burning of a Magnesium ribbon . Held with tongs and heated, the ribbon reacted with air in a spectacular chemical change. Observation revealed a dazzling white flame and the formation of a white powder, which is Magnesium Oxide. This practical experiment beautifully demonstrated the principles of chemical reaction and change.

Grade 8

Chemistry Time: Observing Flame Zones

On 09-10-2025, Grade 8 explored the structure of a candle flame. Using a candle and glass plate, students observed three distinct zones. They concluded the flame has an Innermost (unburnt vapors, least hot), a Middle (partial combustion, yellow), and an Outermost (complete combustion, blue, hottest) zone. This demonstrated how combustion completeness determines temperature and color.

Grade 9

Buoyant Force - Project Activity

Grade 9 students explored buoyant force through a hands-on demonstration. Using a spring balance and a bucket of water, they first weighed an object in air. Next, they weighed the same object while submerged in the water. Students observed a distinct decrease in the object's weight . This difference directly demonstrated the upward buoyant force exerted by the fluid, pushing against gravity.

Grade 1

EVS on Focus: Touch and Tell Water Experiment

Grade 1 students completed an engaging experiment, "Touch and Tell: Exploring Fresh and Salty Water." . Students touched and felt the water, learning that adding salt changes the water's texture and makes it denser. This hands-on activity successfully helped our young learners differentiate between these two important natural resources.

Grade 1

Diya Decoration Activity

Students of Grade 1 recently showcased their creativity through a vibrant Diya Decoration activity. Bringing their own diyas from home, the young artists used brushes and bright colors to create beautiful, festive designs. This handson session helped develop fine motor skills and artistic expression. The classroom was filled with excitement as students proudly displayed their colorful masterpieces, celebrating Diwali.

Class Activities

Grade 6

The Great Nutrition Debate

Grade 6 students participated in a dynamic group discussion exploring whether carbohydrates, proteins, and fats are "good or bad" for health. By analyzing the vital roles of these nutrients in a balanced diet, students learned that moderation is key. This activity fostered scientific thinking and understanding that these components are essential for energy and growth, excessive consumption can be harmful.

Grade 2

Step-by-step Measurement

Grade 2 students stepped out of their seats to explore measurement using non-standard units! By using their own feet and strides, they measured classroom distances and various objects. This hands-on activity introduced fundamental concepts of length and distance while highlighting why measurements can vary. It was a fun, interactive way to bring math to life!

Grade 4

Echoes to Ink: The Dictation Challenge

A dictation activity in Grade 4 was conducted in English Communication class, where the teacher read out a set of words and students wrote them down in their notebooks. This engaging exercise helped students enhance their listening skills, concentration, and spelling accuracy. It was a valuable learning experience, and students actively participated, showcasing their language skills.

Grade 1

Tiny Zen Masters

The Physical Education Department recently organized a refreshing yoga session for students in Grades 1. Our young learners explored basic poses, focusing on mindfulness and physical balance. This calming activity encouraged students to connect with their breath while improving their flexibility. It was a delightful day seeing our little yogis embrace wellness, fostering both a healthy body and a focused mind!

Grade 7

Measuring our World: Math Activity

Grade 7 students explored perimeter and area through hands-on campus measurements. Using measuring tapes, groups calculated dimensions of the basketball court and swimming pool. This practical activity helped students differentiate between boundary lengths and surface areas, connecting mathematical formulas to real-life shapes while fostering teamwork and logical thinking.

Grade 1

Little Voices: Proudly Presenting "My School"

Grade 1 students recently showcased their communication skills during a "My School" speaking activity. Each child shared what they love most about their campus, from the colorful playground to their cozy classrooms. This interactive session boosted public speaking confidence and encouraged students to express pride in their school community while sharpening their oral expression.

Club Activities

Literary Club

The Literary Club fosters a love for literature across all grades. For grades 1 and 2, activities focus on recitation, storytelling, and moral lessons from fables. Grades 3 to 5 enhance their creative skills through picture composition and exploring children's stories and poems.

Older students in grades 6 through 9 and grade 11 delve deeper into literary analysis. They study poetic devices, novels, epics, and focus on characterization, themes, and plot. The club also encourages creative expression through writing stories covering both English and Hindi.

Science Club

The Science Club provides hands-on learning for all students. Activities include creating science models, understanding shapes and sizes, and practical application of scientific formulas. Students explore various science topics, anatomy, and engage in mental math and abacus training to sharpen their cognitive skills. The club's focus is on experiential learning, with students participating in hands-on science projects and engaging lab activities to deepen their understanding of scientific principles.

Art Club

The Art Club nurtures creativity and imagination in every student. We begin with the fundamentals, teaching members to understand colors, complimentary palettes, and the color wheel. Students explore various mediums, from craft making and intricate origami to creating detailed paper and clay models. The club encourages artistic inspiration, prompting students to express their unique ideas and perspectives. Through these hands-on activities, we aim to enhance each student's imaginative power and make them more creative.

Kinesthetic Club

The Kinesthetic Club promotes physical fitness and strategic thinking through a wide range of sports. Our outdoor activities build teamwork and athletic skills with popular sports like basketball, football, cricket, lawn tennis, and skating. Students can also dive into our swimming programme for a great full-body workout. For indoor enthusiasts, we offer chess, carrom, and table tennis, which sharpen focus and hand-eye coordination. This club provides a balanced approach to physical and mental well-being for an active lifestyle.

Happy Hours

At MM School, we believe in nurturing well-rounded individuals. This philosophy led to the introduction of our unique 'Happy Hours' programme, an exclusive initiative that reserves the last session of every school day for outdoor sports and activities.

Under the expert guidance of renowned coaches, students enthusiastically engage in games like basketball, cricket, football, skating, and tennis. This programme not only promotes physical fitness but also instills discipline, teamwork, and a healthy competitive spirit. By balancing rigorous academics with dynamic physical activity, we ensure that our students leave school each day with a sense of accomplishment and holistic growth.

Career Counselling Programme

Navigating the Digital Frontier:
A Seminar on Cyber Security and AI

MM School recently organized an insightful career counseling seminar for students of grades 8 to 12 in collaboration with Kalinga University. Chaired by Principal Dr. Sanjoy Bhattacharjee, the session focused on the flourishing fields of Cyber Security and Artificial Intelligence.

Facilitators from Kalinga University led an interactive dialogue, highlighting the critical importance of digital safety and the transformative potential of AI in the global job market. Students engaged enthusiastically, exploring diverse career pathways and necessary skill sets for the tech-driven future.

The seminar concluded with an empowering address by the Principal, encouraging students to embrace innovation and ethical digital citizenship.
