Events & Celebrations

02 APR **Session 2026-27 Starts for Grade 1**

Students at MM School enthusiastically kicked off the 2026-27 academic session. The first day was packed with vibrant energy, featuring engaging icebreaking sessions that helped classmates reconnect. Students thoroughly enjoyed creative art and craft projects alongside thrilling sports and recreational activities, setting a joyful and positive tone for the upcoming school year.

11 APR **Jalianwalabagh Massacre Commemoration Assembly**

Grade 9 students at MM School solemnly observed Jalianwalabagh Massacre Day during the senior assembly. Through poignant speeches and an evocative skit, they powerfully commemorated the sacrifices made in the tragic massacre. The heartfelt tribute deeply moved the audience, fostering a profound sense of patriotism and respect for the fallen souls.

14 APR **Visit to Tribal Museum & Freedom Fighter Museum**

MM School's residential students and teachers recently visited the Tribal Museum and Freedom Fighter Museum in Naya Raipur. The educational excursion deeply enriched their understanding of the state's vibrant history and culture. By exploring powerful exhibits, everyone gained a profound appreciation for the historical significance, remarkable bravery, and enduring sacrifices of tribal freedom fighters who fought for their land.

16 APR **Observing Dr. B. R. Ambedkar Jayanti**

Grade 4 students at MM School celebrated Ambedkar Jayanti with great enthusiasm during the junior assembly. Through inspiring speeches and creative presentations, they honored Dr. B.R. Ambedkar's monumental role as the architect of the Indian Constitution. The event successfully educated the young audience about his vision of equality, justice, and education for all.

18 APR **World Heritage Day**

Grade 8 students at MM School conducted a special assembly to celebrate World Heritage Day. Through engaging presentations and informative talks, they highlighted the importance of preserving global cultural and natural landmarks. The assembly successfully inspired their peers to cherish, respect, and protect our shared history and diverse heritage for future generations.

Class Activities

Grade 1

Maths Activity

Grade 1 students explored numbers 11 to 20 through a hands-on activity. Using ice-cream sticks, children bundled tens and counted individual ones, successfully matching them to the corresponding number chits. This practical approach made learning number formation both fun and memorable.

Grade 1

Sense Organ Activity

Grade 1 students enthusiastically participated in a hands-on Sense Organs Activity for their EVS lesson, "My Body." Through interactive games and fun challenges, the young learners explored how the eyes, ears, nose, tongue, and skin help them experience the world. The activity beautifully combined education with joy and excitement.

Grade 2B

Storytelling Activity

Grade 2 students at MM School immersed themselves in a delightful storytelling activity. Bringing characters to life with expressive voices and animated gestures, the young storytellers captivated their peers. This session sparked their imagination and creativity.

Grade 10

Chemistry Unravelled

Our Class 10 students enthusiastically participated in a laboratory activity on Types of Chemical Reactions. Through hands-on experiments, they observed and analyzed various chemical changes, deepening their understanding of key concepts such as combination, and decomposition, displacement, and double displacement reactions. The activity encouraged scientific curiosity, critical thinking, and experiential learning, making chemistry both engaging and meaningful.

Grade 5-8

LSDS (Life Skills Development Sessions)

In a pioneering move to foster real-world readiness, we implemented a comprehensive Life Skills Development Session (LSDS) for students from Grades 5 to 8. Aligned with the latest CBSE recommendations for holistic education, this one-of-a-kind initiative equips young learners with essential practical knowledge for daily life. Sessions have been taken focusing on crucial safety themes: Kitchen Safety, Electrical Awareness, Emergency Contact Basics etc.

Furthermore, students engaged in interactive simulations to master basic first aid, fire drill protocols, and digital citizenship. By bridging the gap between academic theory and everyday resilience, the LSDS empowers children to navigate unexpected challenges with confidence.

Club Activities

Literary Club

The Literary Club fosters a love for literature across all grades. For grades 1 and 2, activities focus on recitation, storytelling, and moral lessons from fables. Grades 3 to 5 enhance their creative skills through picture composition and exploring children's stories and poems.

Older students in grades 6 through 9 and grade 11 delve deeper into literary analysis. They study poetic devices, novels, epics, and focus on characterization, themes, and plot. The club also encourages creative expression through writing stories covering both English and Hindi.

Science Club

The Science Club provides hands-on learning for all students. Activities include creating science models, understanding shapes and sizes, and practical application of scientific formulas. Students explore various science topics, anatomy, and engage in mental math and abacus training to sharpen their cognitive skills. The club's focus is on experiential learning, with students participating in hands-on science projects and engaging lab activities to deepen their understanding of scientific principles.

Art Club

The Art Club nurtures creativity and imagination in every student. We begin with the fundamentals, teaching members to understand colors, complimentary palettes, and the color wheel. Students explore various mediums, from craft making and intricate origami to creating detailed paper and clay models. The club encourages artistic inspiration, prompting students to express their unique ideas and perspectives. Through these hands-on activities, we aim to enhance each student's imaginative power and make them more creative.

Kinesthetic Club

The Kinesthetic Club promotes physical fitness and strategic thinking through a wide range of sports. Our outdoor activities build teamwork and athletic skills with popular sports like basketball, football, cricket, lawn tennis, and skating. Students can also dive into our swimming programme for a great full-body workout. For indoor enthusiasts, we offer chess, carrom, and table tennis, which sharpen focus and hand-eye coordination. This club provides a balanced approach to physical and mental well-being for an active lifestyle.

Happy Hours

At MM School, we believe in nurturing well-rounded individuals. This philosophy led to the introduction of our unique 'Happy Hours' programme, an exclusive initiative that reserves the last session of every school day for outdoor sports and activities.

Under the expert guidance of renowned coaches, students enthusiastically engage in games like basketball, cricket, football, skating, and tennis. This programme not only promotes physical fitness but also instills discipline, teamwork, and a healthy competitive spirit. By balancing rigorous academics with dynamic physical activity, we ensure that our students leave school each day with a sense of accomplishment and holistic growth.

Career Counselling Programme

Preparing for Tomorrow:

MM School Conducts AI-Focused Career Counseling

MM School hosted a forward-thinking career counseling session tailored for students of Grades 8 to 12, focusing on the transformative role of Artificial Intelligence in the modern workforce. Industry experts guided students through emerging career paths, the importance of technological adaptability, and the essential skills needed to thrive in an AI-driven future.

The highly interactive forum provided an excellent platform for students to voice their doubts and clarify queries regarding subject selections and future job markets. This timely initiative successfully empowered students to look beyond traditional career models and make well-informed, futuristic academic decisions.

Book Free Day

MM School has launched an innovative initiative called "Book Free Day," designed to break the monotony of traditional schooling and foster holistic development. Held on the last Friday or Saturday of every month, this unique program encourages students to leave their heavy textbooks at home and immerse themselves in a world of interactive learning, creativity, and critical thinking.

The core philosophy of Book Free Day is to provide diverse knowledge that extends far beyond the rigid boundaries of the standard syllabus. Instead of routine lectures, students engage in lively discussions and storytelling sessions. They explore the timeless wisdom of the Panchatantra and Jataka Tales, delve into powerful narratives from ancient epics, and draw inspiration from legendary mythological figures.

To prepare students for the modern world, the curriculum also integrates vital contemporary subjects. Children discuss significant historical milestones, influential personalities, social issues, and current world affairs. Additionally, the inclusion of financial awareness sessions helps instill essential life skills from an early age.

The day also features vibrant art and craft workshops, energetic music and dance classes, and engaging sports activities. Book Free Day ensures that children ultimately get nurtured into well-rounded, thoughtful individuals.

Achievements

SOF 2025-26 & International Hindi Olympiad Certificates

Swimming Competition

MM School kicked off its session with the thrilling Interhouse Swimming Competition in April. Following intense aquatic matchups, Shourya House (Orange) clinched first place with 3 golds and 1 silver. Shakti House (Red) secured second, followed closely by Sahas House (Green) in third, and Samagra House (Blue) finishing in fourth position.
