Events Highlights 2025-26

Anti-Drug Day Campaign

A significant civic awareness event where students engaged in a "Leave Drugs, Save Money" campaign, emphasizing the school's focus on moral and social responsibility.

Vidhan Sabha Tour

A rare experiential learning opportunity for Grades 8–10, where students visited the Chhattisgarh Legislative Assembly to witness democratic proceedings firsthand.

Old Age Home Visit

Perhaps the most impactful moral event, where students visited a local senior care facility to share food and conversation, bridging the generational gap and practicing empathy.

Cyber Security Seminar

A critical modern-education event where experts oriented students on digital safety, ethical digital citizenship, and navigating the tech-driven future safely.

Eco-Friendly Ganesha Idol Making

The Eco-Friendly Ganesha Idol Making workshop was designed to blend artistic expression with environmental responsibility, moving beyond traditional classroom learning to instill sustainable values in students.

Events Highlights 2025-26

National Doctors' & CA Day

MM School celebrated medical and financial professionals on July 1. Featuring student performances and alumni recognition, the assembly highlighted the dedication of doctors and CAs to society's health and prosperity.

Kargil Vijay Divas

Grades 6-8 honored the 1999 Kargil War heroes on July 26. The event fostered patriotism and resilience, teaching students to value the discipline and sacrifice of the Indian armed forces.

Eco-Friendly Raksha Bandhan

The "Operation Sindoor" thali competition paid tribute to BSF and Army heroes. Using biodegradable materials, students and parents expressed creativity and gratitude toward the soldiers protecting the nation's borders.

Math-a-thon Festival

The Math-a-thon featured cultural shows, working models, and Vedic math games. This lively event helped students conquer their fear of numbers by applying mathematical concepts in a fun, supportive environment.

Bal Ashram Community Visit

Students and teachers donated food and stationery to Bal Ashram on Jail Road. This initiative promoted social responsibility and empathy, providing essential nourishment and learning resources to children in need.

From the Principals's Desk

MM School Year in Review:

Academic Excellence and a Vision for the Future (2025–26)

The Academic Year 2025–26 has been a remarkable chapter in the journey of MM School, marked by academic excellence, co-curricular achievements, and a deepening partnership between the school and its parent community. As we reflect on the year gone by, we take immense pride in the milestones achieved and look forward with enthusiasm to the path ahead.

A Year of Outstanding Achievements

MM School recorded a 100% success rate in the CBSE Board Examinations for Grades 10 and 12 during the year of 2025 result, underscoring the dedication of both students and faculty members. This accomplishment reflects the school's commitment to academic rigor and student success. We are happy to share the CBSE Grade-10 result for the year of 2026 which is so far the best result MM School has ever produced. We had already shared the CBSE 2026 Board Examination results with you all, and it was truly a proud moment for all stakeholders of MM School. This year's results mark a significant milestone for us, successfully achieved through consistent effort and strategic planning. All our students performed remarkably well across subjects, with scores ranging from an impressive 98% to 62%, reflecting strong overall academic achievement.

Students also excelled in various competitive platforms, bringing recognition to the institution. In Olympiads, they secured multiple Gold and Silver medals along with notable Zonal Ranks. Achievements in CBSE Mathematics and Hindi Olympiads further highlighted their academic strength. The school also celebrated state-level selection in the prestigious Vidyarthi Vigyan Manthan (VVM) examination. Adding to this success, all submitted projects under the INSPIRE Award Scheme were selected—an exceptional and rare accomplishment.

Sporting Excellence Reaches New Heights

This year marked a historic milestone in sports. For the first time, MM School students qualified for the CBSE Cluster Games, with the Boys' Football and Girls' Basketball teams representing the school beyond the Raipur region. Individual achievements at National and International levels in sports such as Shooting, Karate, and Skating further elevated the school's reputation.

Holistic Development and Communication Skills

A significant highlight of the year has been the notable improvement in students' English communication skills. Their progress was evident during key events including the Investiture Ceremony, Special Assemblies, Annual Day, and exhibitions. Students demonstrated enhanced confidence, refined body language, and impressive stage presence—skills essential for their overall development.

Enriching Learning Beyond Classrooms

The school organized a series of impactful seminars and workshops for students and parents. Topics such as exam preparation strategies, structured answer writing, and career counselling for senior students proved highly beneficial. These initiatives are set to continue in the coming academic session, reinforcing the school's commitment to continuous learning.

Looking Ahead: Vision for 2026–27

With a focus on innovation and holistic growth, MM School is preparing to introduce several forward-looking initiatives:

- New Curriculum Framework (Grade 1): Aligned with NEP 2020 and CBSE guidelines, this curriculum aims to strengthen foundational learning.
- Skill Development Classes (Grades 6–8): Practical life skills such as basic cooking, sewing, first aid, and health monitoring will be incorporated into learning.
- Cultural and Heritage Programs: Workshops focusing on the teachings of the Bhagavad Gita will help students connect with timeless values and apply them in daily life.
- Activity-Based Clubs: New clubs in Photography and Short Filmmaking will provide creative platforms for students, along with plans for an Inter-School Short Film Competition.
- Enhanced Communication Training: Morning English communication sessions will continue with greater structure and focus.
- Strengthened Sports Program: The "Happy Hours" initiative will be further enriched with specialized individual sports training.

Core programs such as Vedic Mathematics, Olympiad preparation, laboratory work, educational trips, and community outreach will remain integral to the school's approach.

Key Developments and Initiatives

The upcoming academic year will also see important structural and developmental advancements:

- Revised Saturday Schedule: The school will function on a half-day schedule on Saturdays, with flexibility for senior classes during academic peak periods.
- Parents' Council Formation: Strengthening parent-school collaboration remains a priority, and parents are encouraged to actively participate.
- STEM and AI Laboratory: A new lab is being developed to promote hands-on, technology-driven learning experiences.
- Inclusion Programme: A whole-school approach will ensure that all students, including those needing additional support, are integrated into mainstream learning while continuing to participate in co-curricular activities.

A Note of Gratitude and Forward Momentum

As the academic year concludes, I extend heartfelt gratitude to the parent community for their unwavering support and trust. Together, the school has nurtured students who are confident, capable, and compassionate.

With strong foundations and a clear vision, MM School is set to embark on another year of excellence and innovation.

Stay connected!

Dr. Sanjoy Bhattacharjee

Staff Overviews 2025-26

Ms. Ankita Sehgal, HR Manager: The commitment of our teachers and the continuous support of parents have contributed significantly to creating a nurturing and positive learning environment. Throughout the year, we remained focused on instilling values, discipline, and creativity in our students. We take pride in our students' progress and look forward to achieving even greater milestones ahead.

Ms. Anita Das, Academic Co-ordinator: The academic session 2026–27 was marked by holistic growth, enthusiastic participation, and excellence across scholastic, co-scholastic, and community initiatives. Competitive zeal was evident through interhouse sports, chess, Math Fest, Science Exhibition, and championships. Leadership and civic awareness were strengthened through Student Council Elections. Recognition through Golden Students, MM Achievers, Navratan Awards, and SOF Winners motivated excellence, while outreach programs like Anti-Drug Campaign, Eco Club, and Old Age Home Visit nurtured values and responsibility.

Mr. Arijit Bhattacharjee, Academic Co-ordinator: This year, MM School has emerged as a pioneer in balancing academic excellence with co-scholastic development. Our hostel amenities and mess facilities, combined with dedicated study support and physical training, provided students with a wholesome experience that prepared them for independence and the journey of life. Numerous seminars and community outreach programs have enhanced our students in communication and cognition.

Ms. Priyanka Agrawal, Academic Co-ordinator: The year witnessed a vibrant array of events, including the Annual Function, Annual Sports Day, Brush and Beyond, and engaging experiential learning activities. Numerous events and special assemblies further enriched the learning environment. It has been immensely gratifying to see each child blossom with confidence and individuality as we conclude the session with pride and anticipation.

Ms. Jasleen Narang, Admission Counselor: At MM School, we remain committed to growth through personalized learning and transparent communication. Parents and students are valued, heard with care, and addressed thoughtfully in collaboration with all stakeholders. Together, we continue working for every child's well-being, ensuring a supportive environment where trust, respect, and partnership guide our shared journey forward.

Ms. Anushree Kulkarni, PRT: It has been wonderful to become a part of a supportive and inspiring school environment. I enjoyed engaging with students and witnessing their growth in confidence and learning. This session not only strengthened knowledge but also nurtured creativity, discipline, and teamwork.

Ms. Priya Chawla, PRT: What truly stands out is the warmth, growth, and meaningful connections we experienced throughout the year. It has been a deeply fulfilling and emotional journey, filled with countless moments of joy, learning, and quiet pride. Watching our students grow—not just academically but as confident, compassionate individuals—has been truly heartwarming.

Ms. Anju Singh, PGT: There was a noticeable shift towards experiential and competency-based learning, aligning well with the vision of National Education Policy 2020. Despite occasional challenges, timely completion of work, and varying learning paces, continuous efforts through regular guidance, remedial support, and interactive teaching strategies helped in addressing these concerns effectively.

Staff Overviews 2025-26

Ms. K. Parimala, TGT: Students actively participated in classroom activities and showed interest in learning. The learning objectives were largely achieved, and students demonstrated improvement in understanding concepts and applying them in exercises. Overall, the session was successful and contributed positively to student learning.

Mr. Yogesh Godhwani, PGT: The year reflected a strong focus on experiential and cross-curricular learning, where students engaged actively with concepts through inquiry, discovery, and real-life application. Academic rigor was balanced with co-curricular enrichment, fostering creativity, confidence, and critical thinking. Teachers and students worked in close synergy to build an inclusive and supportive learning environment.

Mr. Bimal Kumar, PGT: The session 2025–26 has been a rewarding journey marked by growth, discipline, and teamwork. It was inspiring to witness students actively participating in sports alongside academics, showcasing determination, sportsmanship, and resilience. Their achievements at various levels reflected consistent effort and structured training.

Ms. Diksha Gupta, PRT: Under the visionary guidance of our Principal, we embraced innovation through ERP integration, activity-based learning, and structured lesson planning that deepened student understanding. I've watched our students grow from hesitant learners into confident, articulate thinkers who lead assemblies, excel in projects, and uphold values with pride.

Ms. Sarita Santwani, PRT: It has been a pleasure working with the enthusiastic Grade 1 students, and it was truly rewarding seeing them grow in confidence and develop foundational skills in reading, writing, and numeracy. Their curiosity, creativity, and active participation in both academic and co-curricular activities made each day joyful.

Mr. Sitaram Raikwar, PGT: The session 2025–26 has been a truly rewarding journey in the Mathematics classroom. It was wonderful to see students take interest in learning new concepts, solving problems, and working together during activities. Using real-life examples and technology made lessons more interesting and helped students understand better.

Mr. Abhay Kapoor, PGT: The session began with strengthening core concepts and gradually progressed towards advanced learning and exam readiness. Students showed improved engagement, participation, and critical thinking through experiential and competency-based approaches. Regular assessments, projects, and co-curricular activities enhanced confidence, creativity, and teamwork. Continuous guidance from teachers supported both academic and personal development, making the session productive, enriching, and focused on holistic growth.

Ms. Tripti Patle, PRT: Throughout the session, various activities such as class tests, projects, co-curricular activities, and competitions helped in enhancing students' skills and confidence. Emphasis was given to discipline, regularity, and active participation in class. The session also included periodic assessments, Term Exams and WRT examinations, which helped evaluate students' progress.

Ms. Sulbha Dubey, TGT: शैक्षणिक सत्र 2025-26 सीखने, विकास और उन्नति का वर्ष रहा। छात्रों के चहुमुखी विकास के लिए पूरे सत्र के दौरान, कक्षा परियोजनाएँ, सहपाठ्यक्रम गतिविधियाँ और प्रतियोगिताएँ जैसी विभिन्न गतिविधियों ने छात्रों के कौशल और आत्मविश्वास को बढ़ाने में मदद की। सत्र में आवधिक मूल्यांकन, अर्धवार्षिक और अंतिम परीक्षाएं भी शामिल थीं, जिनसे छात्रों की प्रगति का आकलन करने में सहायता मिली। कुल मिलाकर, यह सत्र फलदायी और ज्ञानवर्धक रहा, जिससे छात्रों की शैक्षणिक सफलता और व्यक्तित्व विकास दोनों में योगदान मिला।

Staff Overviews 2025-26

Ms. Preeti Singh, PRT: इस वर्ष फ्रेंडशिप डे, पर्यावरण-अनुकूल राखी निर्माण, जन्माष्टमी एवं 79वें स्वतंत्रता दिवस जैसे आयोजनों ने विद्यार्थियों में उत्साह और सांस्कृतिक जुड़ाव को बढ़ाया। इको-फ्रेंडली गणेश प्रतिमा निर्माण, राष्ट्रीय खेल दिवस, वार्षिक उत्सव, मैथ्स असेंबली तथा विभिन्न क्लब गतिविधियों और प्रतियोगिताओं ने बच्चों की रचनात्मकता, जिज्ञासा और आत्मविश्वास को निखारा। 'हैप्पी आवर्स' ने सीखने को आनंदमय बनाया। साथ ही 'गोल्डन स्टूडेंट ऑफ द मंथ' के माध्यम से विद्यार्थियों की मेहनत, सकारात्मक दृष्टिकोण और उत्तम आचरण को सम्मानित किया गया, जिससे अन्य छात्रों को भी प्रेरणा मिली।

Mr. Ayon Das, PGT: From empowering students through new tech initiatives like the AI and coding to fostering environmental responsibility with the Eco Club and Mission LiFE, the year was truly transformative. It featured enriching activities like Self-Intro days, Eco-Friendly Rakhi competitions, and the Investiture ceremony. With unique initiatives like Book-Free Saturdays and Happy Hours, this session has profoundly reaffirmed our commitment to delivering modern education deeply rooted in moral values. Our students achieved a 100% board result, with the highest score reaching an impressive 98% and excellent performance across all major subjects.

Ms. Shaily Kapoor, PGT: The academic year 2025–26 has been a fulfilling journey of learning, creativity, and achievement. A grand Annual Function highlighted the talents and confidence of our students. The remarkable results across all grades, including board classes, reflect consistent hard work and dedication. Joyful "Happy Hours" with art, craft, science, and maths exhibitions added excitement and innovation to learning.

Mr. Sevan Mandey, TGT: हिंदी शिक्षक के तौर पर मैं यह बताना चाहूँगा कि एम.एम.स्कूल' के विद्यार्थियों ने विविध गतिविधियों—एवं रचनात्मक प्रस्तुतियों—में उत्कृष्ट प्रदर्शन करते हुए अपनी अभिव्यक्ति क्षमता का प्रभावशाली परिचय दिया। इस दौरान बच्चों के वाचन कौशल में उल्लेखनीय सुधार देखा गया तथा हिंदी भाषा के प्रति उनकी रुचि और आत्मविश्वास में निरंतर वृद्धि हुई। हिंदी ओलंपियाड में विद्यार्थियों ने शानदार प्रदर्शन कर विद्यालय का नाम रोशन किया, वहीं हिंदी अंतरराष्ट्रीय कविता लेखन प्रतियोगिता में पदक प्राप्त कर अपनी प्रतिभा का प्रमाण दिया। यह सत्र विद्यार्थियों के समग्र भाषा विकास, सृजनात्मकता और सांस्कृतिक संवेदनशीलता को सुदृढ़ करने की दिशा में अत्यंत सफल और प्रेरणादायक रहा।

Mr. Bhawani S. Mahapatro, PGT: Throughout the year, students actively participated in academic, cultural, and co-curricular activities that reflected the school's commitment to holistic education. The session also showcased teamwork, confidence, and a spirit of excellence across all levels. It reflected a strong commitment to academic excellence, along with active participation in co-curricular and value-based activities. Students demonstrated adaptability and enthusiasm, while teachers ensured engaging and learner-centered experiences. The collaborative spirit among students, staff, and parents significantly contributed to a positive school environment.

Summer Camp

Swimming

Dive into the summer spirit! At MM School's summer camp, our students kicked off their mornings by beating the heat in the pool. Both girls and boys participated in refreshing swimming sessions, mastering new strokes under the expert supervision of our PE teachers. These early morning splashes provided the perfect balance of fitness and fun, ensuring a cool, energetic start to their journey of personal growth.

Art & Craft

Creativity took center stage at the MM School summer camp! Our junior artists explored a world of color through vibrant painting and coloring sessions, while senior students pushed their creative boundaries with intricate doodling, sketching, and portraiture. Under the guidance of our mentors, students of all ages transformed blank canvases into masterpieces, proving that art is the ultimate tool for self-expression and innovation.

Dance

The rhythm truly came alive at MM School! Students embraced the joy of movement with dance sessions that catered to every style. From the high-energy beats of Zumba to the fluid storytelling of contemporary and the creative liberty of freestyle, boys and girls alike expressed themselves with incredible passion. These sessions weren't just about the steps; they were about building confidence and coordination through the power of dance.

Summer Camp

Outdoor Sports

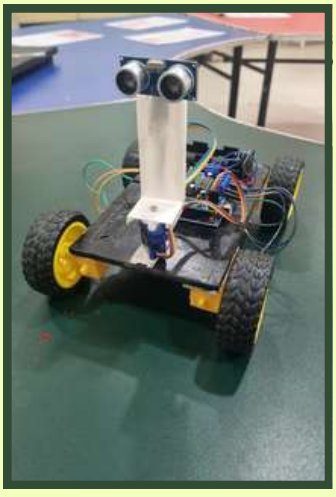

The energy on the field was electric as students geared up for football, basketball, and cricket. Matches were organized division-wise, fostering a healthy spirit of competition and camaraderie. Whether it was a clinical goal, a perfect basket, or a stunning boundary, the air was filled with cheers as teammates supported one another. These sessions highlighted the importance of sportsmanship, strategy, and collective effort in achieving success.

Storytelling

Our storytelling sessions turned listeners into creators! Students delved deep into the mechanics of narrative, exploring the nuances of plot development and the evolution of character arcs. These weren't just passive lessons; through high-energy interactive sessions, students brought stories to life by enacting roles and improvising scenes. It was a masterclass in empathy and imagination, teaching them how to craft and perform compelling tales of their own.

Robotics & AI

In an exciting collaboration with Kalinga University, students dived into the future during our Robotics & AI sessions. Under expert faculty guidance, they mastered the fundamentals of coding and applied their skills to build functional robotic cars. From exploring self-drive theory to programming vehicles that detect and navigate around obstacles, students gained hands-on experience in cutting-edge technology, sparking a passion for innovation and engineering.
