Events & Celebrations

2ND JULY
STUDENT COUNCIL ELECTIONS: A LESSON IN DEMOCRACY

MM School conducted its Student Council Elections, giving students a first-hand experience of the democratic process. Students of Grades 10 and 12 participated through nominations and campaigning, while students from Grade 4 onwards exercised their voting rights. Twelve leadership positions, including Head Boy, Head Girl, Sports Captains and House Representatives, were contested. The results were declared under the supervision of the Principal and Election Commission, ensuring a fair and transparent process. The election helped students understand voting rights, informed decision-making, leadership, responsibility, accountability and democratic participation, fostering responsible and confident young citizens.

11TH JULY
INVESTITURE CEREMONY: HONOURING YOUNG LEADERS

MM School hosted its Investiture Ceremony, formally inducting the elected student leaders. The dignitaries on the dais, Director Mr. Mayur Thourani and Principal Dr. Sanjoy Bhattacharjee, graced the occasion. The elected candidates were proudly badged and sashed, marking the beginning of their leadership journey. The ceremony commenced with an impressive March Past, which also formed part of the Inter-House competition. The programme was further enriched by vibrant dance performances and a melodious choir presentation, celebrating leadership, discipline, talent and school spirit. Adding an environmental dimension to the occasion, MM Green, the school's tree plantation initiative, was also undertaken, with students and members of the school community planting medicinal plants, reinforcing the values of environmental responsibility and sustainable living.

16TH JULY
RATH YATRA: A CELEBRATION ON WHEELS

MM School celebrated Rath Yatra on 16 July with great enthusiasm and joy. Students of Grades 1 to 5 participated wholeheartedly, enjoying the festive spirit as they gathered around the beautifully decorated rath and enthusiastically pulled it through the school campus. The celebration became even more special as the Principal and teachers joined the students, turning the occasion into a joyful shared experience. Alongside the festivities, students explored the history, cultural significance and stories associated with Rath Yatra. They also connected the celebration with learning by identifying and discussing geometrical shapes incorporated into the rath and its decorations. The activity beautifully blended culture, experiential learning and celebration, allowing young learners to discover traditional heritage while having fun with their friends and teachers.

Events & Celebrations

22ND JULY

THE TRICOLOUR THROUGH TIME: NATIONAL FLAG ADOPTION DAY

MM School observed National Flag Adoption Day through engaging classroom seminars that helped students understand the journey and significance of the Indian National Flag. Students explored the six changes in the flag's design over the years and discussed how each evolution reflected India's changing aspirations and national identity. The sessions also highlighted the significance of the tricolour, the meaning of its colours and Ashoka Chakra, and the rules governing the respectful display and use of the National Flag. The programme concluded with a solemn National Flag Oath, encouraging students to uphold the values represented by the Tricolour and develop a deeper sense of patriotism, pride and responsibility towards the nation. The activity inspired students to see the Tricolour not merely as a national symbol, but as a reflection of India's unity, heritage and collective aspirations.

26TH JULY

ECHOES OF VALOUR: REMEMBERING KARGIL'S HEROES

MM School observed Kargil Vijay Diwas on 26 July, commemorating the courage and sacrifice of the Indian soldiers who fought in the Kargil War. The Social Science Department organised an informative seminar for senior-grade students, who actively participated through speeches, patriotic songs and recitations. Teachers provided students with a deeper understanding of the causes of the Kargil War, its significant timeline and the vital role played by our soldiers. The programme encouraged students to reflect on the values of courage, patriotism, duty and sacrifice, while developing a deeper appreciation for the dedication of the armed forces. The observance served as a meaningful reminder of the price of freedom and the responsibility of citizens to honour the nation's heroes.

30TH JULY

EXPLORING SCIENCE BEYOND THE CLASSROOM - IGKV VISIT

MM School students embarked on an enriching educational visit to Indira Gandhi Krishi Vishwavidyalaya (IGKV), Raipur, on 30 July. The visit provided students with valuable exposure to the university's academic and research environment. Students of Grades 6–8 explored the university library, gaining insight into the vast resources available for academic learning, while students of Grades 9–12 visited the Biotechnology and Tissue Culture Laboratories. Interacting with experts and observing real-time applications helped students connect their classroom concepts with practical learning. The experience offered a glimpse into higher education, scientific research and emerging opportunities in agriculture and biotechnology. Such experiential visits encourage curiosity, broaden perspectives and inspire students to explore future academic and career pathways beyond the classroom.

Book Free Day

Grade 1-2

Stories from the Epics

The Book-Free Day activity for Grades 1 and 2 combined storytelling, drawing and creativity. Students explored inspiring stories of Eklavya, Shabari Mata and Chitrakote Waterfall, discovering meaningful life lessons and inspirational values. Through colouring and discussion, they enhanced their creativity, cultural awareness and value-based understanding in a joyful learning environment.

Grade 1-7

Indian Philosophers

Young learners are introduced to the lives and teachings of Goutam Buddha and Mahatma Gandhi through engaging animated videos and discussions. Students explored values of kindness, compassion, truth, honesty, non-violence and respect. Colouring activities reinforced learning creatively, while discussions encouraged students to connect these values with their everyday lives.

Grade 1

Friendship Band Making

Grade 1 students celebrated the spirit of friendship through storytelling and friendship band making. The story of Krishna and Sudama helped them understand kindness, gratitude, loyalty and caring for others. Students then creatively made and exchanged friendship bands, reinforcing the values of friendship, sharing and mutual respect through joyful hands-on participation. The activity encouraged empathy & social bonding.

Grade 3-8

Indian Architecture & Origin

Students are introduced to India's rich architectural heritage through interactive learning. Students explored the origins and evolution of Indian architecture, including the influence of Buddhism and Jainism, and learnt about stupas, chaityas, viharas, caves and temples. Discussions helped them understand how culture, religion, materials and technology shaped architectural styles of India's cultural legacy.

Grade 3-8

Writers of Global Fame

The Book-Free Day literary sessions introduced students to renowned writers Robert Frost, Ruskin Bond and Mark Twain through selected poems and stories. Interactive discussions and creative activities helped students explore themes of choices, perseverance, kindness, empathy, equality and love for nature. The sessions encouraged reflection, creativity, communication and appreciation of timeless literature.

Grade 3-7

Teachings of Bhagvad Gita

The session aimed to familiarise students with the Bhagavad Gita's teachings on duty, self-discipline, sincere effort and perseverance. Through animated stories and storytelling, students understood the importance of performing responsibilities without worrying about results. The activity strengthened communication, listening and critical-thinking skills, while fostering positive actions and strong moral values.

Class Activities

Grade 1-2

Clay Moulding Competition

Students of Grades 1 and 2 enthusiastically participated in a Clay Moulding Competition based on the theme "Rath Yatra." They creatively crafted clay models of Lord Jagannath, Balabhadra, Subhadra, chariots and other festival elements. The activity nurtured fine motor skills, imagination, creativity and artistic expression, while helping students appreciate the cultural significance of Rath Yatra and building confidence through joyful participation.

WINNERS OF THE COMPETITION:

1St Prize
HIRDYANSH BHAGTANI Gr 1
LOVINA BIRNANI Gr 2A
AYANSH AGRAWAL Gr 2B

2nd Prize:
PRISHA CHATURVEDI Gr 1
GUNISHKA SHARMA Gr 2A
MAHER PANJWANI Gr 2B

3rd Prize:
HARDIK SHADIJA Gr 1
MISHKA AGRAWAL Gr 1
CHAITANYA PRAJAPATI Gr 2A
AMAIRA CHIMNANI Gr 2B
MARIYA NIZAMI Gr 2B

Grade 5

Design Your Balanced Plate

Grade 5 students explored healthy food choices by designing balanced diet plates in groups. Through creative presentations, they demonstrated teamwork, nutritional awareness and understanding of the importance of a balanced diet.

Grade 5-8

Little Chefs, Big Learning — LSDS Showcase

MM School's LSDS Basic Cooking Skills programme offered students a carefully structured journey from understanding the kitchen to independently preparing food. Designed as a hands-on life-skills experience, the programme combined practical knowledge with lessons in hygiene, safety, nutrition, teamwork, responsibility and creativity. The first week introduced students to different **kitchen utensils**, their names, functions and safe handling. Later with **spices and masalas**, enabling students to identify ingredients and appreciate their role in **flavour and nutrition**. Students then explored the functioning of a **community kitchen**, gaining an understanding of organisation, cleanliness, teamwork and the coordinated effort required to prepare and serve food. A practical **tea-making session** further encouraged independence and confidence in performing everyday tasks. The programme culminated in a cooking showcase, where students prepared dishes such as **sandwiches, noodles and pasta**. Through preparation, plating and presentation, students demonstrated how everyday activities can become meaningful opportunities for learning, creativity and self-reliance.

Club Activities

MM School Literary Club

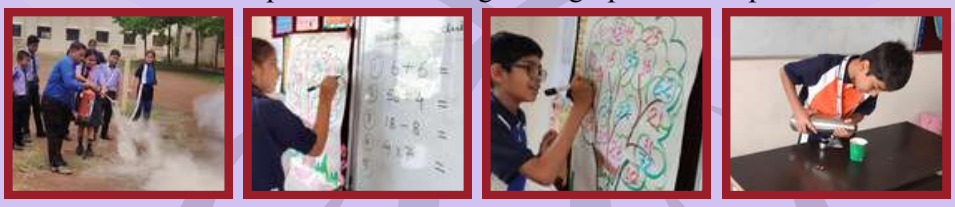

The Literary Club engaged students through diverse activities including telephonic conversations, vocabulary building, portfolio-making and storytelling. Stories such as The Lion and the Mouse, Ghamandi Mor and The Cap Seller and the Monkeys developed listening, speaking, comprehension and moral reasoning. Students also explored travel passages, Hindi poetry and clay-based learning, strengthening creativity, communication, vocabulary and confidence.

MM School Science Club

Students participated enthusiastically in diverse activities, including a Nature Walk, Fire Extinguisher Demonstration, Number Bingo, Seed Germination and Magic Square. These hands-on experiences enhanced observation, fire-safety awareness, mental calculation, number recognition, logical thinking and problem-solving skills, while encouraging teamwork, curiosity and joyful learning beyond the classroom. The activities fostered confidence and a deeper understanding through practical experiences.

MM School STEM & AI Lab

The STEM Lab sessions introduced students to block-based coding through Scratch. Activities included adding sprites and backdrops, using motion commands, exploring X and Y coordinates, and creating simple animations. Through hands-on coding, students developed computational thinking, logical reasoning, creativity and problem-solving skills while gaining foundational programming knowledge in an engaging learning environment.

Club Activities

The Kinesthetic Club introduced students to fundamental cricket batting techniques, focusing on grip and stance through demonstration and practice. Basketball sessions developed dribbling and lay-up skills, followed by a practice match, while football sessions focused on dribbling. The activities strengthened coordination, teamwork, confidence and game awareness through active participation and practice.

The Art Club engaged students in a variety of creative activities, including paper caterpillar and paper-plate jellyfish crafts, folk-art-inspired Flower Garden paintings, and sponge dabbing paintings. Through cutting, colouring, pattern-making and texture exploration, students developed creativity, imagination, fine motor skills, hand-eye coordination and concentration, while enjoying hands-on artistic expression.

Students enthusiastically explored Photography, Theatre and Cinematography through introductory sessions. They learned the fundamentals of photography, different photographic styles and creative objectives, while being introduced to theatre and filmmaking. With theory completed, students are now ready for practical sessions involving live acting, creative photography and filmmaking, fostering creativity, expression and communication.

Happy Hours

At MM School, we believe in nurturing well-rounded individuals. This philosophy led to the introduction of our unique 'Happy Hours' programme, an exclusive initiative that reserves the last session of every school day for outdoor sports and activities.

Under the expert guidance of renowned coaches, students enthusiastically engage in games like basketball, cricket, football, skating, and tennis. This programme not only promotes physical fitness but also instills discipline, teamwork, and a healthy competitive spirit. By balancing rigorous academics with dynamic physical activity, we ensure that our students leave school each day with a sense of accomplishment and holistic growth.
